

Homework Hangout

Homework help is available Monday through Thursday from 3:30-5:30 pm

J-Care counselors and college student volunteers staff Homework Hangout, all of whom have tutoring experience and/or are majoring in Child Education or Child Development programs at school.

J-Care students who are signed up for Homework Hangout will need to work on their homework before participating in other J-Care activities. Enrollment in a J-Care class overrides this policy.

Homework Hangout rewards students who show effort, improvement or completion in their assignments.

Homework Hangout Instructors:

- **Jamie Levinson (Mon/Wed):** Jamie has been with the JCC for 3 years and was the original "Homework Helper" when the program was launched in 2006. Jamie has a B.A. in Education is currently a Graduate student at the University of Arizona, majoring in Elementary Education.
- **Emily Simon (Tues/Thur):** This is Emily's second year with J-Care and working in the Homework Center. Emily has been a member of Camp "J" staff for 4 years and is working towards a degree in Social Work.
- **Amanda Hoskins (Mon-Thur):** This is Amanda's first year as a J-Care Counselor. She joined us this past summer as a counselor/advocate at Camp "J". She is a high school senior this year and has experience working with children with Autism and multiple disabilities and as a Spanish tutor.

Homework Hangout is offered free to all J-Care kids, however you must sign up in advance for this great program. Sign up is attached below.

For more info or to register: Contact Rachel at 299-3000 x 256 or by email at rzuckerman@tucsonjcc.org
